MILITEC LTD

BALLISTIC PROTECTION PANELLING FOR PORTABLE MILITEC TARGET UNITS

Bristol Armour opaque armour panels are fibre reinforced composite structures, specially designed for toughness and resistant to low and high velocity projectile impacts.

There are nine grades available to protect against most threat levels, including handguns, shotguns, grenades and high velocity military rifles.

Features:

- Lightweight
- Does not corrode
- No maintenance
- Fire resistant
- Good multi-hit capability
- No fixings required, packed flat when not in use
